Courage Under Fire:

Fire Officer Leadership Lessons Learned After Getting the Badge

As a fire officer in today's fire service, you must possess courage under fire and continuously aspire to be the best officer you can be. The saying, "If I only knew then what I knew now" is the focus of this session. Current topics affecting the nationwide fire service, as well as personal lessons learned (some the hard way), will be shared and discussed. Attendees, regardless of rank or the type of department they serve at, will leave with numerous tips for leadership success.

Annual Meeting Business

At the annual meeting on April 4, 2018, the NED Board of Directors will discuss the organization's strategic plan, bylaw updates, hold elections for officers, and conduct other general business of the division. All are encouraged to attend.
